

Beacon of Hope Sponsorship Form

2023 Beacon of Hope Fundraiser: Our Community, United for Youth
October 25, 2023, 8 AM - 9 AM ET
Westwood Country Club, Vienna, VA

Never was there a more important moment in time to turn our attention to local youth as they face an onslaught of challenges threatening their mental health and well-being. Last year alone, there was a 33% increase in the number of people in families with children experiencing homelessness in Fairfax County. Not a single young person should have to deal with those uncertainties. Together, we can spark change. Join us by sponsoring our Beacon of Hope Breakfast on October 25, 2023, from 8 AM to 9 AM ET at Westwood Country Club located at 800 Maple Avenue East, Vienna, VA 22180. This year's theme is Our Community, United for Youth.

The Beacon of Hope Fundraiser is Second Story's only major fundraising event of the year. We are thrilled to be in-person, together again. Your financial support will allow us to meet the growing needs of local youth experiencing homelessness or another crisis, as well as their families. We believe the generosity of our sponsors, pre-event, will inspire others to give generously. By taking proactive action, you will set an example for our community and demonstrate your commitment to our mission. Every life we impact means a stronger community. Thank you for caring about our local youth and families. We hope you'll consider partnering with us and find this to be a worthwhile investment in their futures.

Dear _____,

I support a local organization called Second Story based in Fairfax County. Their mission is to help young people and families who are in crisis by providing safe havens and opportunities to guide them toward self-sufficiency. They step in at critical moments and provide youth with housing, life skills training, and access to basic resources like food—all with the goal of helping them write their second stories.

It has come to my attention that Second Story is hosting their annual fundraiser on October 25th. They are reaching out to supporters, like me, to help secure sponsorship funding ahead of the virtual event. 100% of what they raise will go toward supporting their programs, and as an employee/member of _____, I would like to ask for your consideration in partnering with Second Story.

I am forwarding the sponsorship details that I received. If you have any questions, you can reach out to me, or Alex Villegas at Second Story. Alex can be reached at avillegas@second-story.org.

Why Our Support Matters

- Organizations and community members like ours have a responsibility to the communities where we live, work, and worship. Second Story is a trusted organization that helps local young people and families in crisis by providing safe havens and opportunities to guide them toward self-sufficiency. This kind of work makes our entire community stronger.
- Community members/Employees/Members want to make a difference in our communities but don't always know where to start. By supporting Second Story, we're providing them with a pathway to support a trusted organization that's been working in our community for more than fifty years and has already assisted more than 50,000 young people.
- Depending on the level of support we choose, some options include opportunities to learn more and volunteer. Volunteering can strengthen the group dynamic and increase member satisfaction or retention. Educating your group on local issues can promote deeper community engagement and connectedness.
